

Timetable – QMU Student Portal view

View your personalised timetable through the QMU Student Portal to see your classes.

Use the arrows at the top right of the page to toggle between different weeks and see your classes for the semester.

Through the QMU Student Portal, your personalised timetable will show you:

- The date and day of your classes
- The module title and module code for each class
- The start and end time for each class
- The type of class it will be; lecture, seminar, workshop, drop-in session, etc.
- The location of the class; the room number or if the class will be held online

The QMU Student Portal and your personalised timetable is available through any mobile device, laptop or desktop computer that has an internet connection. To access the QMU Student Portal, go to the QMU website and click QMU Portal at the top of the page.

The screenshot displays a weekly timetable for 'Timetabled Week 28' (14-18 March 2022). The interface includes navigation arrows at the top right to toggle between weeks. Each day's section lists classes with their dates, days, module codes, titles, types, locations, and times.

Timetable – MyQMU App view

Using the MyQMU App, you can see your personalised timetable.

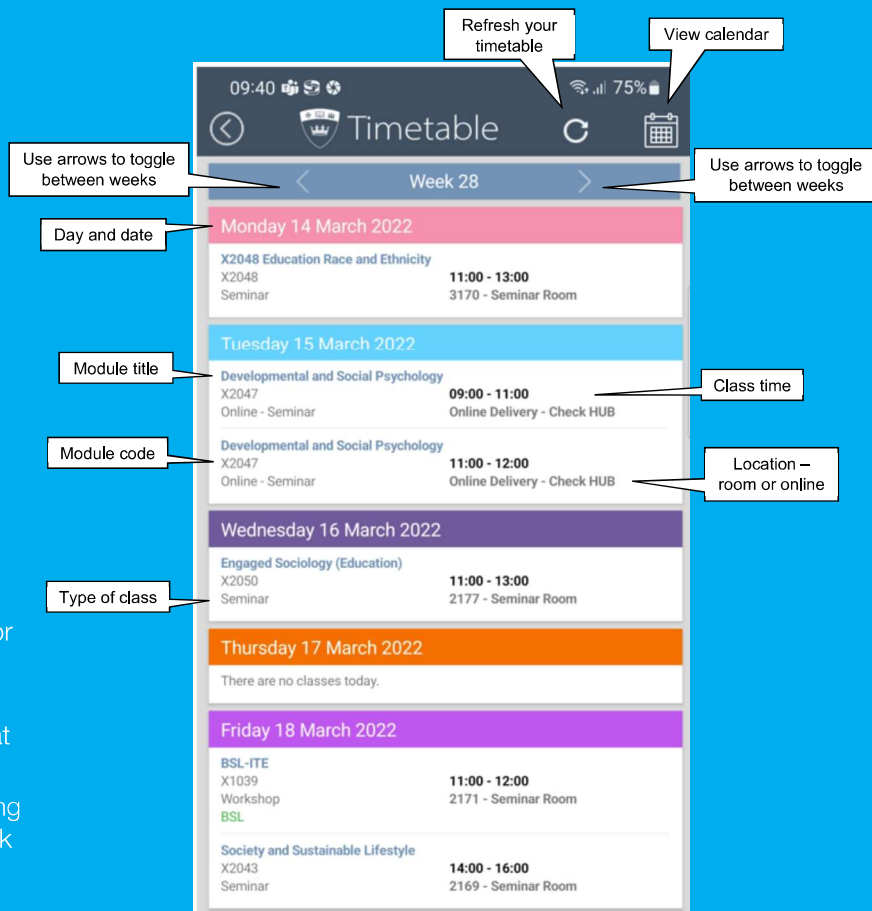

Toggle between different weeks using the arrows towards the top of the app to view your classes for each week.

Through the MyQMU App, your personalised timetable tells you:

- The date and day of your classes
- The module title and module code for each class
- The start and end time for each class
- The type of class it will be; lecture, seminar, workshop, drop-in session, etc.
- The location of the class; the room number or if the class will be held online

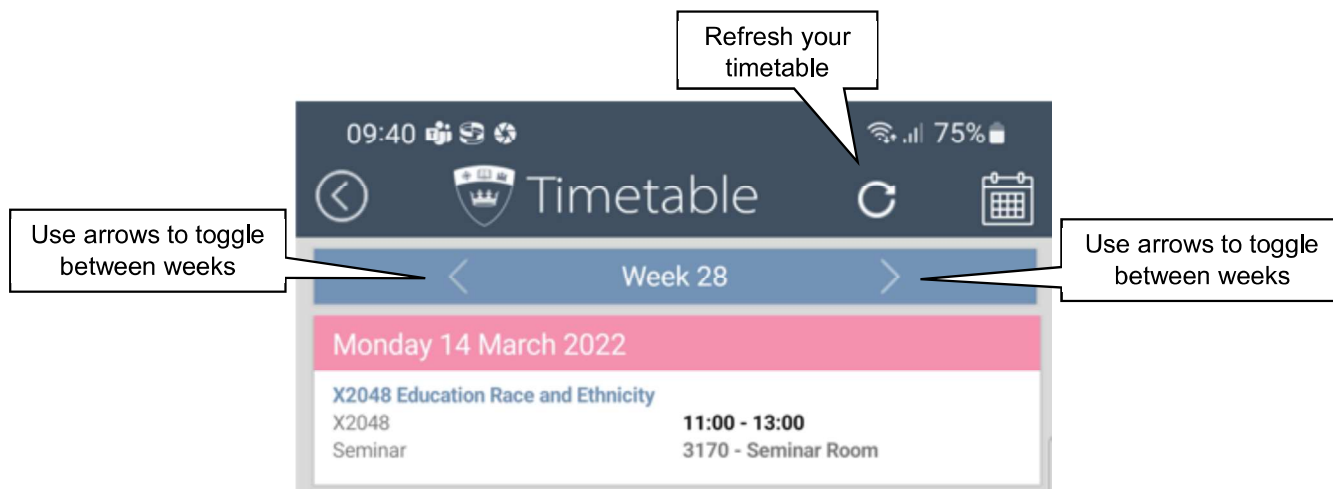

Make sure you are seeing the latest version of your personalised timetable by clicking the refresh icon at the top right of the app.

To select a specific date, use the calendar by tapping on the calendar icon at the top right of the app, click to the date you want to view and select the date to see that week.

Having difficulty viewing your timetable?

If you are having difficulty viewing the timetable (i.e. missing module or room information) press the refresh button in the top right hand corner of the MyQMU App. Try to use the arrows at the top of the App to toggle between the different weeks, and find the current teaching week.

It's also important to make sure that you are using the latest version of the App. Please go to the app store for Apple iOS or the Google Play store for Android to make sure you have updated the App to the latest version.

If you are not using the latest version of the App you may see wrong information, or your timetable may be missing items which show for other Students who are using the latest version.
